with guest

# LUANN PICCARD

## DID YOU KNOW?

- As a kid, she wanted to be a witch, so she formed a club called the Bloody Wrangler Witch Sisters. Their uniform was light blue Wrangler cut-off shorts, and they practiced casting magic spells.
- Her favorite band was...Paddy Tricot and the Artificial Limbs. It was a band formed in the late 80s modeled after the Police. Professor Piccard played keyboards. They entered an undiscovered band contest in the San Francisco Bay Area... and they remained undiscovered.
- She met George Clooney and rode on a camel in the desert surrounding Dubai... not at the same time.
