the UAA College of Engineering Presents:

## ASK ME ANYTHING

## DID YOU KNOW?

- Dr. Srinivasan is from India and he went to graduate school in Hawaii. He lived in the 50th State for almost 15 years before moving to the 49th State to join UAA.
- He used to have a really loooong mullet-type hair style during his grad school years. (Proof provided above.)
- He loves to play and watch cricket, a game similar to baseball and popular in India, the UK, and many other nations. The game is still played internationally and one game can last for for 5 days!
