Re: Establishment of an Annual Symposium of Faculty Research and Creative Activity

On February 7th, 2014 the Faculty Senate approved the following motion brought forward by the Research and Creative Activity Committee:

Motion: In order to recognize and celebrate faculty research and creative activity, the Faculty Senate endorses the establishment of an annual symposium of faculty research and creative activity jointly sponsored by the Faculty Senate Committee on Research and Creative Activity and the Vice Provost for Research and Graduate Studies. This symposium will include posters, presentations, performances and visual arts. The Faculty Senate further recommends that the first symposium be held in conjunction with the celebration of the opening of the new Alaska Airlines Center.
