Re: Incentive Tuition Program

On March 1, 2013 the Faculty Senate approved the following motion brought forward by the Student Academic Support and Success Committee:

**Motion: That an incentive tuition program be created that provides one to three credits of free tuition for degree seeking undergraduate students who are enrolled during Spring or Fall Semesters in 15 credits and have completed a minimum of 15 units of credit at UAA with a cumulative UAA GPA of 3.0 or higher.**

If I may be of further assistance, please let me know.

Approved  Disapproved

Comments: *While I support the motion in general, the cost must first be reviewed. Initial estimates range from \$400k - \$1.2mm and would require, eg. all of our current tuition waiver funds at a minimum*
