### **6.3 Revocation of General Education Requirement Designation and Deletion of a GER Course**

A course's designation as an approved general education course may be revoked if the course is not updated through the curriculum approval process at least every 10 years. .

The revocation process will be initiated by the GERC. The GERC will notify the department of noncompliance with UAA general education policy (published in the Curriculum Handbook). After notification, the department will have the next academic year to come into compliance.

If compliance is not achieved by the end of the next academic year after notification of noncompliance, GERC will make a recommendation regarding revocation of general education designation to UAB. UAB will consider the matter and make a recommendation to Faculty Senate. If approved by Faculty Senate, then it moves to the Provost for consideration. If approved, the UAB Chair will notate the appropriate curriculum documents to indicate revocation of general education status. Faculty wishing to reinstate general education designation for a course are referred to section 6.1-6.2.
