Re: Program Prioritization Open Meetings

On October 4, 2013 the Faculty Senate approved the following motion regarding Program Prioritization:

Motion: The Faculty Senate recommends to the Academic Task Force and administration that the program prioritization meetings be open to members of the university.

If I may be of further assistance, please let me know.

Comments:

I suggest the fast force consider this change if they like but I support their current plan. E. Baker 25/10/2013
