Re: Faculty Alliance General Education Learning Outcomes UA Coordination Subcommittee

On February 1, 2013 the Faculty Senate approved the following motion:

**Motion: The University of Alaska Anchorage Faculty Senate supports the formation of a Faculty Alliance General Education Learning Outcomes UA Coordination Subcommittee, to include equal representation from each MAU and to work on the general charge of identifying a common set of General Education learning outcomes (i.e. broad goals) to recommend to the faculty senates at each MAU in late 2013.**

If I may be of further assistance, please let me know.
