Re: IDEA Course Evaluations

On April 5, 2013 the Faculty Senate approved to the following motions brought forward by the Ad Hoc Committee to Investigate Methods of Evaluating Teaching Effectiveness.

Motion: The Faculty Senate requests that IDEA course evaluations not be utilized for courses with enrollments of 10 students or less unless requested by the instructor.

Motion: The Faculty Senate recommend that the Short form of IDEA become the default at the University of Alaska Anchorage.

Please see the attached documents for additional information.

If I may be of further assistance, please let me know.
