Re: Faculty Evaluation Guidelines

On April 1, 2011 the Faculty Senate approved the following motions from the Ad Hoc Committee for Faculty Evaluation Guidelines.

**Unanimously approved the motion to forward to the Provost a summary of comments received by the Ad hoc Committee from the faculty regarding the Faculty Evaluation Guidelines during February 2011.**

**Approved the motion to accept the current iteration of the Faculty Evaluation Guidelines with the provision that the Faculty Senate conduct a thorough review of the Faculty Evaluation Guidelines five years after the Faculty Evaluation Guidelines have gone into effect and revise as needed.**

If I may be of further assistance, please let me know.
