

## **Jacelyn Keys, Campus Director, Kodiak College**

Jacelyn Keys is UAA campus director for Kodiak College, having served in the role since August 2020. As campus director, Keys is responsible for overseeing all aspects of the campus's administration, academic programs, and community outreach initiatives. Her duties include strategic planning, long-term visioning, budget management, workforce development, faculty and staff support and development, and fostering partnerships with local businesses and organizations.

Prior to her appointment at Kodiak College, Keys held positions as the director of Blue Mountain Community College - Hermiston and the regional director for Hermiston and the Mid-Columbia Region at Eastern Oregon University (EOU). In these roles she led curriculum development and implemented innovative advising strategies that significantly improved student outcomes. Additionally, Keys played a crucial role in the accreditation process at Blue Mountain Community College and the expansion of online learning programs at EOU. Her career is distinguished by her ability to drive academic improvements and increase enrollments through community partnerships and strategic enrollment management.

Keys holds a Bachelor of Arts in English discourse from Eastern Oregon University, a Master of Education in college student services administration from Oregon State University, and a Master of Arts in communication and organizational leadership from Gonzaga University.
