UAA's Desktop Services Certified Technicians will provide on-site support for all of your computer needs. Now an Authorized Tier 2 Dell Repair Facility, you will not be charged for any warranty parts and labor, and most repair parts are received within 24-hours which will minimize downtime.

Bulk Order Program Details:

- Open to UAA MAU departments and other UA units located in the Anchorage area.
For business use only, no personal orders.
- Equipment will be ordered via Req/PO and encumbered/billed directly to the department's fund/org.
- Additional labor charge of \$108 for initial imaging and set-up will be billed to department's fund/org via JV after equipment is set-up and delivered to customer.
additional labor costs for data transfers or non-standard set up will apply
- Fund/orgs must be provided at time of order. Individual placing order is responsible for verifying their department's fiscal technician's approval.
- Fund/orgs will be verified prior to order and checked for available budget.
- The individual who placed the order and fiscal technician/cost center clerk of record will be contacted if fund/orgs cannot be verified and given 24-hours to provide updated fund/org information or correction. Inquiries for corrected information not resolved by the end of the 24-hour period may result in equipment order being canceled.
- No labor charges to fund-2 orgs. Department using a fund-2 org for equipment will have the purchase pre-approved through OSP and must provide another fund for labor costs.
- Equipment expected to be delivered to department by end of May/early June.
- No model substitution available. Please see next page of this flyer for model types and costs.
